PRGX Case Study: Global Working Capital Improvement

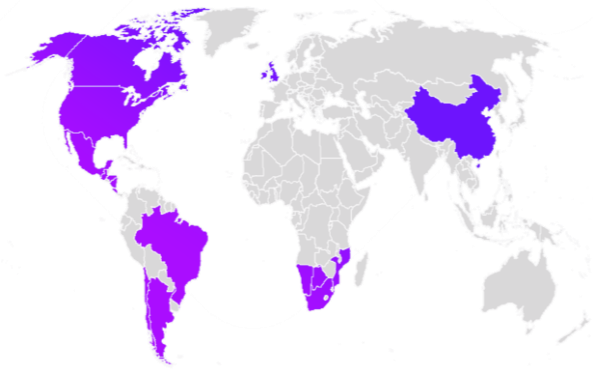

GLOBAL
RETAILER

BACKGROUND & CHALLENGES

- ❖ Global retailer with regional Shared Service Centers, and country CFO's running businesses at differing levels of maturity
- ❖ Low data visibility, low automation, lagging working capital, and varied supplier information management
- ❖ Differing data sets, stakeholders, and local scenarios

APPROACH

PRGX was deployed strategically across the globe in a coordinated effort to address country-specific priorities

- Analytics ✓ UK, Canada, and Mexico: DPO
- Advisory ✓ South Africa: Payables Transformation; Spend Viz
- Recovery Audit ✓ 14 markets across the globe
- SIM ✓ Introduced to Mexico

RESULTS

> \$1B DPO Cash Opportunities currently being pursued

\$8-15M Accounts Payable Transformation Value

> \$30M Recoveries annually

\$300M Estimated Spend Savings Opportunity
